

# MIRAGE

FASHION AND SPORTSWEAR ACCESSORIES

PRINTED FACE MASK  
WITH REPLACEABLE FILTER

CTM2081  
for adults  
7 different prints

CTM2082  
for children  
3 different prints

Hypoallergenic and breathable | Made in Italy | Reusable  
It can be sterilized by washing at 60° or with iron steam

It already contains a disposable filter, made in triple layer  
for greater filtering action and to protect against dust,  
bacteria, smoke, pollen and pollution.

- > Outer layer: 100% polypropylene  
(breathable material with natural antibacterial action)
- > Middle layer: 100% polyester
- > Inner layer: 100% polypropylene

Filters are also available as follows:

CTM2083

5 FILTERS KIT  
for replacement of adult face masks with replaceable filter

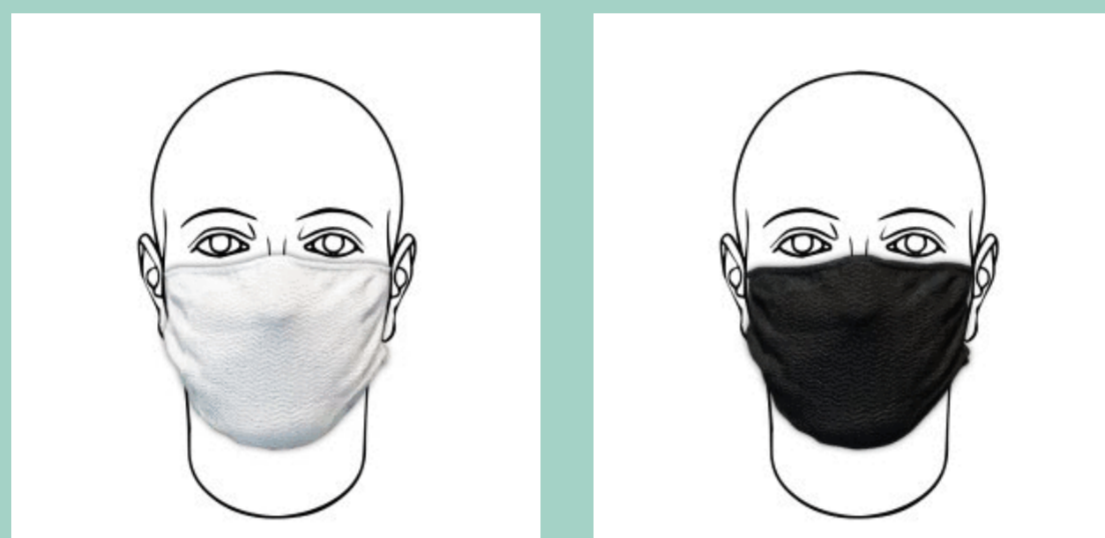

CTM2084

5 FILTERS KIT  
for replacement of children face masks with replaceable filter
